♥ Recommended Nail Treatment Frequency

To keep your nails healthy, beautiful, and long-lasting, we recommend booking your nail treatments every 2 to 3 weeks. This allows us to maintain the shape, address natural growth, and refresh your polish or enhancements before any lifting or breakage occurs.

NON INVASIVE

G5 body countouring session R650.00

6x sessions R3 850.00

3 or 6 week programme

The G5 massage device treats cellulite and stubborn fat. Problem areas are treated with rhythmic vibrational movements with the G5 device. It is among the most effective treatment methods for both tightening the body and the rapid elimination of cellulite. The treatment opens local connective tissues and accelerates fat burning at the same rate.
